

AI Corps | Fictional fixture

Project scope and timeline

The fictional department requests a preliminary improvement plan.

The implementation timeline is six weeks.

Staff interview sessions document the current intake process.

The project concerns permit processing and service delays.

AI Corps | Fictional fixture

Requested deliverables

Deliverables include findings, alternatives, and an implementation plan.

The report must identify risks and measures of success.

The audience is the fictional department leadership.

No actual City records, personnel, or procurement decisions are included.
